the grandeur of this cut. Cleft through the granite by eons of waterflow, the river bed is infinite in its tumbled course. The walls of the cliffs are damp and cool and shadowed from the sun above and beyond. The sound of the river is a symphony in the ear. The green moss on the cliff face is in varicolored shades of green. To gain a true insight on the importance of man, go to the sea or to the mountains. The lifetime of one man might have been enough time to carve 100th of an inch in the depth of this great channel in the granite.

Mattapoisett Town News

SPEED COMPLAINT

A dozen Crescent Beach residents met with the Board of Selectmen on a speed complaint. The beach group was headed by Mr. Patrick Ryan, president of the Crescent Beach Improvement Association. The problem concerns excessive speed of vehicles on Prospect Road and Angelica Avenue. Selectmen promised to proceed to do everything possible to alleviate the situation. Police Chief Alfred Faria, also present, promised action to slow drivers down. The police department set up a radar check on Prospect Road and promptly picked up 12 speeders who complained that they

had been driving at that pace for years. Selectmen have written to the Mass. D.P.W. for a speed zone survey of both Prospect Road and Angelica Avenue.

FIRE TRUCK TO BE DISPOSED OF

Fire Chief Paul Bradley, the Board of Selectmen, Mr. Worden and a Brandt Beach contingent had another conference on the feasibility of a fire engine located at Brandt Beach under the complete control and upkeep of the residents of the beach and the decision was that it is not practical. The truck became surplus when the new 10,000 gallon pumper was delivered and according to the town meeting article was to be "traded or otherwise disposed of". The trade-in allowance was so low that it was not a factor. At the time, the fire department

the year has stretched on. Fire Chief Bradley has decided that disposal of the engine would alleviate some of the overcrowding at the fire station.

WIRE CONFERENCE

Robert Bates, assistant wire inspector, and Mr. and Mrs. John Souza, proprietors of the Village Deli, met with Selectmen, at the Board's request, following a complaint that Mr. Souza had registered the previous week which involved the assistant wire inspector's action when he observed a delivery of an ice making machine at the store. Mr. Bates observed that, after delivery, the machine was not properly grounded and was hooked up with no proper outside receptacle and informed Mrs. Souza. The Board of Selectmen determined that the machine had not been properly grounded at the time of the Tuesday night meeting and requested the owner to do the work by the end of that week.

POLICE CANDIDATES INTERVIEWED

The Board interviewed four people who have applied for the full time patrolman's vacancy. The Selectmen expect to fill the post in the near future.

cation was delayed until Selectmen can further investigate the facilities. Two applications have been received for the same location; one by Ronald Scott and the other by Ronald Bisailon. Class II is a junk auto permit. The location wanted is 119 Fairhaven Road, Mattapoisett.

CABLE TV ACTIVITY

The preliminary report on the Board of Selectmen's hearing on the Cable TV Advisory Committee's Report has been prepared. However, prior to its issuance, the Board wants to discuss the matter with Marion and Wareham to approach the Cable TV system from the regional angle.

This question was discussed between the executive secretaries of the three towns last Thursday, following the Selectmen's meeting. The executive secretaries decided that a joint 3-town Cable TV Committee should be formed consisting of the executive secretary and one other member from each town to work out rules, regulations and requirements for a Regional Cable TV system. The town now has a September deadline on a decision to proceed or not.

REV FUNDS IN

Mattapoisett has received \$24,561 in revenue sharing funds for the last quarter of fiscal 1974.

IN-TOWN SYSTEM DISCUSSION

Selectmen have set up a meeting with the state official involved regarding the possibility of federal or Massachusetts funds for a small in-town sewage system. Selectmen have delayed authorizing the spending of \$3,000. in a study of such a proposal until they can explore the possibility of Federal or State participation.

TOWN NEWS Continued from Page 5 SHELLFISH DECISION

Acting upon the recommendation of shellfish constable Gus Silveira, Selectmen have voted to rescind the license of John J. DeCosta for a period of 60 days. The alleged violation was a quahog catch over the limit, illegal container and loan of button to another person. This alleged violation may be the subject of a hearing if an appeal is made of the decision.

temporary dump and beach stickers to guests of town residents. Selectmen recommend that guests utilize the host's auto for the beach.

TRASH A MESS

The trash situation at Veterans' Park, Shipyard Park and Town Wharf was a mess the Monday after the holiday weekend. The new trash pickup was out of phase with the peak activity at these points. The Board of Selectmen will take corrective action to have the trash receptacles emptied on the weekends or the termination of the weekend.

TENNIS COURT DEDICATION

The tennis courts constructed by the Mattapoisett Lions' Club on the Center School grounds will be dedicated at 5:30 P.M. on Sunday, July 21st.

the State plan was to dredge and rip rap from the mouth of Eel Pond to the railroad embankment a distance of approximately 1,000 feet and construct jetties at the entrance. Mattapoisett suggested dredging and rip rapping 200 feet from the jetties at the entrance and this is the proposal that is in the planning stages now.

BAR FISH FROM SPORTSMEN

Frank Grice, director of the Division of Law Enforcement of the Department of Natural Resources, advises Selectmen that his department will initiate a concentrated effort to enforce Section 8 of Chapter 130 of the General Laws of Massachusetts. This means that licensed commercial dealers will be required to notify fishermen from whom they buy fish, lobster, shellfish (fresh or frozen) that they must be the holder of a commercial fishing license.

INSURANCE QUERY

George Hall, executive secretary to the Board of Selectmen, wrote July 3rd, to Dr. C. Clark Streeter, chairman of Plymouth County Group Insurance, to inquire about increasing the minimum coverage of group life and accidental death and dismemberment policy from \$2,000. to \$5,000. for both active and retired town employees. Selectmen requested that they be advised if the coverage could be increased to this amount.

STATE "ONE SHOT DEAL"

Senator John F. Aylmer advises George Hall concerning H-5580 that the State, over rural objection, agreed to assume 1/2 of the Metropolitan Boston Transit Authority deficit and called it a "one shot deal". Aylmer said his "suspicions are now borne out". The "one shot deal" now appears as an appropriation in the state budget again this year to the amount of \$40,000,000. to

KNOW WHAT I'M DOING?

Using my Plymouth-Home now-pak™

I'm making a loan payment on my new car. With my NOW • PAK account I don't have to bother with writing out checks or making sure my payment is on time. Plymouth-Home takes care of all that for me automatically. Every month my loan payment is deducted from my NOW account and credited against my loan balance . . . it's a real time saver.

NOW • PAK has been one of the smartest moves I've made . . . a NOW Checking Account, a Cash Control Card which allows me to use Teller 24, Maxicheck Cash Reserve and Automatic Cash Transfers among my other accounts. All this for only 10¢ a check. It's the most unique bank service package around, available only at Plymouth-Home National Bank.

be taken from Massachusetts highway money. The senator said, "Once again, we have been ripped off by the urban cities." He continued, "I will indeed seek to get the bill moving in the time remaining. Secretary Altshuler says it was a 'mistake' that it was packaged but I know better. We will try our best."

SHELLFISH VIEW NOTED

Edward S. Morrow noted Selectmen's favorable position of S1744 which would furnish matching State funds for shellfish propagation. Mr. Morrow said that Governor Sargent said that he will bear the Board of Selectmen's view in mind when he considers the bill.

SHELLFISH AREAS IN MARION

Marion Selectmen have advised the Mattapoisett Board of Selectmen that the following shellfish edicts are now in effect: closed to the taking softshell clams, Ram Island, Meadow Island, Wing's Cove, Sedge Point, all of inner harbor of Tabor Academy, Blankenship Cove, Aucoot Cove, Marion (Mattapoisett line to Aucoot Avenue including Rock Island). LAND O LIGHT — GIFTS

To The People of Mattapoisett:

On June the 10th I announced my candidacy for State Senator in the Bristol-Plymouth District which serves the Towns of Mattapoisett, Dartmouth, Fairhaven and the City of New Bedford.

During the 6 years that I served in the House of Representatives and the 2 that I served as Mayor of New Bedford, I tried always to provide effective service to my constituents. I have continued to strive along these lines as I serve the voters of New Bedford, now, as their Councillor at Large.

If provided the opportunity to serve the residents of Mattapoisett, you have my pledge to be available for assistance with any needs that you feel merit my attention. This would include being at Town Hall Tuesday nights on a regular basis, so that I might have the benefit of meeting with you personally. Also, I would be available to work with the Board of Selectmen and other Town Boards and Committees who require services only your State Senator can provide.

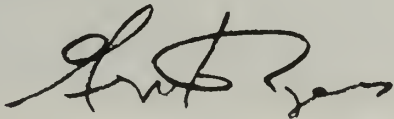

In my view, personal attention to matters of importance by your Senator is of the highest priority. I had the pleasure of serving with your present Representative, Charles MacKenzie and with your present Senator, John Aylmer. Both have proven themselves to be interested and concerned with Mattapoisett's needs.

Likewise, I have worked with Representative MacLean of Fairhaven, the House Majority Whip, who recently was able to achieve an early opening of Rte. 195 thru Mattapoisett; a move that could not have come at a better time. Everyone is grateful to him for his successful efforts.

This, then, is the kind of personal, effective representation I would bring to you as your State Senator.

During the time between now and Primary Day, September 10, I hope to be able to meet many of you personally. Should the pace of the campaign not permit personal involvement with each one of you, kindly ask questions of your friends who know me, and ask them also about the quality of my services. I know of no better way to judge the future but by the past, and I assure you that you will be able to count on me to provide effective service. I solicit your support.

Sincerely,

George Rogers,
Candidate for State Senator

Left, Bernard Talty, Chairman of
Mattapoisett Town Committee to
Elect George Rogers State Senator,
and the candidate, George Rogers.

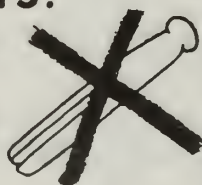

Town Committee to Elect George Rogers State Senator

Youth Events Planned

TEEN DROP-IN CENTER OPENED SUNDAY

The Teen Drop-In Center, sponsored by the Mattapoisett Youth Committee, opened Sunday night at Center School. It will continue to be opened during July and August on Wednesday and Sunday nights from 7 to 11 P.M. All teen-agers in grades 7-12 are welcome. A 50 cent membership charge entitles teens to use the facilities for the rest of the summer. Ping Pong, volley ball, darts, cards, music and refreshments are available. The Youth Committee would appreciate donations of some items needed for the center... a record player, games, a T.V. and a few card tables.

The Committee is planning several events in the coming weeks. There will be a Greasers Dance on Friday night, July 19, at St. Anthony's Church Hall from 8 to 11:30 P.M. Price, 50 cents greased, 75 cents ungreaed. The dance will be a record hop with a disc jockey presiding.

A block of grandstand tickets for the Red Sox-Orioles nite game on August 2 have been reserved. (This is an early evening game.) Ticket price will include bus transportation.

concert" in the same old groove it's been going on these past ninety years or so - but maybe times are a changing. Let us hope so! I have spoken with old people and young people, and they are getting a bit fed up with the "traditional band concert" and would like to see and hear something different going on down there at the bandstand. They'd be most happy to have some real jazz or some real Bach and I wholeheartedly agree. Personally, I am sick of the traditional band concert. We really should get with it and provide more interesting music - maybe even harp.

DISAPPOINTED IN HORSE SHOW

OPEN LETTER

TO THE COMMITTEE OF THE MARION
HORSE SHOW

What has happened to the Marion Horse Show? Once again, I attended the 4th of July show and once again I became disappointed. In the course of five years, in my opinion, the show has gone downhill.

First of all, why such an emphasis on English riding? It seemed like every other event was English and for those people who still have their programs count the numbers of English events as opposed to the Western events. Were all those English events necessary?

What happened to the events that the Marion Horse Show used to be noted for, such as the Horse Pull and musical ropes, flag race pole bending and barrel racing? Some of us came solely to watch those events. Gone are the good memories of the race against the stopwatch.

After watching one particular event, Pet

Pony under saddle, I more or less got the impression the judge was of "English" descent after pinning some not so good English ponies over some very good Western ponies.

Why do the two classes have to be combined? Since the committee cut out all our gymkhana classes surely they should be able to separate the two classes and stop the tension between the two.

Why not add some of our old gymkhana classes now that we have two rings and see the difference in the show. I'm sure the audience get bored seeing the horses do their traditional walk, trot, canter, so let's add a little spice to the show and liven it up. Thank you.

Henry B. Dunseith

Big Brotherism

Editorial, D.C.J.

In one generation we have seen the mushrooming of big government which has overlapped and usurped almost every function of local control. This has been with the compliance of the liberal element which grasps eagerly for matching funds and state and federal grants on the theory that the next town is "getting theirs" so we must "get ours". In "getting ours",

we have lost control of our school system which is now run by the state and financed by us to the tune of 59% of the town's income. We are in the process of losing control of one of the finest small libraries in the country (my opinion) working on the same greedy theory. When we finish with all the Phase I, Phase II and III and IV, we will no longer have a library but an "ac-

tivity center". We will have a poor carbon copy of a big city clubhouse with a good carbon copy of a big city budget.

To realize the extent of the encroachment and the loss of autonomy on the local level, consult the Selectmen's correspondence in the town news of this week. For years a salt water fisherman had the privilege of catching more than he could eat and the freedom to dispose of his catch as he saw fit. He could give the surplus away. He could sell the surplus to local dealers to aid in supplying fresh fish on the local market. A sports fisherman could pick up a bass or mess of bluefish as a windfall to pay for his gas. Now the long arm of the state is going to reach into the picture to enforce the licensing of every man who sells a fish. We wonder what the result will be. A commercial license will not be worth the money to the occasional sportsman so perhaps a good source of fresh fish will disappear. For what purpose? Is the state so strapped for cash that it must grab for pennies from the individual small fisherman who catches an occasional fish that is more than he can eat? OR, is

this the initial step in the licensing of all saltwater fishermen? Is this the first step down the road to a huge pot which will destroy forever a tradition as old as the freedom of the sea? A short period of time will tell the story. If nothing is heard from the fishermen on this enforcement of licensing of them for commercial purposes, then the next step can't be far behind. That step is the licensing of each and every saltwater fisherman, a huge bonanza for the state, so they can continue to see that each town "gets theirs".

Book and Bake Sale

Friends of the Library's annual Book and Bake Sale will be held Saturday, August 3rd, from 11 to 2 in the parking lot of the Mattapoisett Congregational Church. All book and bake donations may be left at 12 Barstow Street, or call Mrs. Ruggles, 6459; Mrs. Kodis, 2888; or Mrs. Bennett, 6573. A "Book Mark" making contest for children in 3 age groups (3-6, 7-9 and 10-12) will be conducted at the sale and prizes will be awarded. Refreshments will be available. All profits will be used for book purchases

Students' Interview

FRIENDS OF THE LIBRARY

The Social Studies team of the Living History Program met with several members of the Friends of the Library Association on July 9. Mr. and Mrs. Robert Bennett and Mrs. Mary Erhard explained the organization and objectives of their association to us.

Mrs. Erhard defined the Friends of the Library as a group of people interested in improving library services. The association was organized two years ago at the urging of Mrs. Carol Anderson and Dr. Manuel C. Rosenfield, a member of the Board of Library Trustees. There are now approximately 70 members. Requirement for membership is simply the payment of one dollar in annual dues.

Present officers of the Friends of the Library are: Mr. Oliver LaFrance, president; Mrs. Lorraine Haskell, vice president; Mr. John Hall, treasurer; Mrs. Carlotta Shaw, secretary; and Miss Dorothy Fox and Mrs. Mary Erhard, directors.

Members of the Friends of the Library association began the Story Hour for pre-school children and assist in delivering books to the Mattapoisett Nursing Home and all shut-ins. Currently, they are planning a book sale. Several members are concerned with the restoration of the Barstow painting. Mr. and Mrs. Bennett and Mrs. Erhard stated that the Friends of the Library are generally interested in meeting whatever needs of the library develop. They expressed concern that a lack of communication between the library and their organization now exists, which hinders their effectiveness.

Questioned about the library's acceptance of state aid, the three members of the Friends of the Library expressed opposition to such financial assistance. They feel that state aid is not a necessity and hinders the operation of the library by imposing too many demands upon it. They feel that the acceptance of state aid infringes upon home rule.

Social Study Team

MATTAPOISETT GREENS REPEAT AS CAPEWAY LITTLE LEAGUE CHAMPIONS

The Mattapoisett Greens completed the 1974 season atop the nine team tri-town Capeway Little League with a 16-2 record. Doug Blough (8-1) and Jeff Hoff (7-0) were the Greens' top hurlers.

Different games produced many outstanding individual efforts. Kenny Fay, Tim O'Connor, Doug Blough, Paul Tinkham, Jeff Hoff, Duncan McDonald and Cameron Dawson were the steady hitters. Game after game these hitters came through with key hits off opposing moundmen. Tim Lannagan, Robbie Hillman, David Hubbard, Billie Haymaker, Chuck Baptiste and Putt LaPlante rounded out the thirteen man squad.

Highlights of the season were home runs by Kenny Fay, Paul Tinkham and Tim O'Connor. Jeff Hoff hurled a one-hitter against the Jets and a two-hitter against the Reds.

The team was managed by Jim Hoff. He was assisted by third base coach Bob Fay and scorekeeper Chuck LaPlante.

probably only the six characters you'll see performing this theatrical masterpiece can bring it to life the way that they will for your entertainment.

Julia and Jane, the two married women who find themselves in this predicament, are played by Posy Dyer and Sally Jones. Posy, who hasn't acted since her high school days, brings to the character of Julia a facade of calm aloofness broken by frequent moments of hysterical panic. This performance is perfectly complimented by Sally's experienced portrayal of Jane who blusters through the play jealous of Julia and eventually slams out of the house to go to Maurice. Sally has appeared in the area at ORR, the Marion Art Center and SMU, but even though she has appeared in such classics as Our Town and Marat Sade, her favorite role remains Fred, the princess of the swamp from ONCE UPON A MATTRESS.

Speaking of Fred, Fred and Willy are the two befuddled husbands who show up inconveniently to uncover their wives' rendezvous with Maurice. Vincent Worden and Scott Atkinson play the husbands with finesse required and provide much comedy with their well timed comments. Maurice is played by Don Finley whose voice and

Mattapoisett Yacht Club

JULY JUNIOR SERIES

Sunny skies and moderate west winds prevailed as the Mattapoisett Yacht Club Juniors started their racing season Wednesday. The first of two races sent the 5 boats on a long beat to Shining Tides followed by a run to Barnards Wharf and a reach to the Neck and finish. Jim Broadwater in Agamemnon II won easily followed by Arthur Bond in Scarab and Mark Helm in Chase Me third. The wind picked up a little for the second race which sent the boats to Red Nun 8 and Molly's Cove before finishing. Again, Jim Broadwater sailed to an easy victory with Arthur Bond second and Mark Helm third.

TO ALL MYC JUNIORS AND INTERESTED RACERS:

The time for the warning gun to start the first race on Wednesday mornings has been changed to 9:45 A.M. Two races will be run each Wednesday. Anyone interested in racing in the novice class, please call Lauri Jenney at 758-2739, after 6 P.M. To qualify for the novice

class you must be 12 years old or younger or 13 and 14 years old with a back-

ART SHOW AGAIN TO BENEFIT SCHOLARS

Area artists and craftsmen are again looking forward to the annual Sidewalk Art Show to be held August 15, 16 and 17 by the Marion Art Center to provide a Student Aid-Scholarship Fund.

The first winner of the Sidewalk Art Show scholarship Becky Zora is now an art teacher at Old Rochester Regional High School. This year's senior winner of a \$250 scholarship was David Motta of Fairhaven High School and he plans to go to Massachusetts Art College. Neil Riley, a junior at Old Rochester Regional High School, won a \$50. prize this spring.

This unique art and craft show is made possible with support from the Massachusetts Council on the Arts and Humanities. There is no admission charge and artists are entitled to two large entries or four small paintings under 16 inches for an entry fee of \$1.00. No limitation is placed on number of craft items.

Awards of Merit will be given to 10 artists for creativity and excellence. Paintings, graphics, mixed media, photography, sculpture and all creative, hand-made crafts are welcome.

Entries will be received at the Marion Art Center on Monday, August 12, from 10 A.M. to 3 P.M., on Tuesday, August 13, from 10 A.M. to 1 P.M. Crafts will be received August 13 from 10 A.M. to 4 P.M. and August 14 from 10 A.M. to 4 P.M. Only those unable to come on Monday or Tuesday will be received on Sunday, August 11, between 3 and 5.

For further information call the Marion Art Center Tuesday-Saturday, from 1 P.M. to 5 P.M. or chairman, Mary Ross at 748-0313 anytime.

Museum Outdoors

Museum Outdoors, a branch museum of Children's Museum in Dartmouth, is now open to the public from 2 to 5 P.M. on Tuesdays through Saturdays without an admission fee; closed Sundays and Mondays. The new museum is located at 100 Old Westport Road in North Dartmouth and parking is available off Longview Drive in the Museum's parking area. There are two self-guiding nature trails and natural history exhibits at Museum Outdoors, where you can study nature at your own pace or just enjoy the wildflowers, trees, birds, etc. as you walk the trails. Museum Outdoors is also an information center where an attempt will be made to answer your questions concerning the natural history of this area.

Field walks for adults will originate at Museum Outdoors on Saturday mornings at 9 A.M. No fee will be charged for the field walks. This Saturday, July 20th, "Mushrooms and Other Fungi" will be studied.

During the summer months, courses are of-

fered for children 6 to 16 years old at both Museum Outdoors and at Children's Museum on Russells Mills Road in Dartmouth. There are still openings for children in many of the courses such as bird study, archaeology, marine life, puppetry and art, local history, geology, etc. Please call 993-3361 for more information concerning children's summer courses or any of the Museum's programs.

Paper Collection**PAPER COLLECTION DELAYED**

Mattapoisett's monthly trash paper collection for July has been postponed again until the weekend of July 20-21. The date change was made necessary because the A. W. Martin Company of New Bedford (supplier of the collection vans) relocated to a new address midmonth, and all their vans and trucks were needed for the moving operation.

The Mattapoisett Republican Town Committee, sponsors of the monthly paper collection, regrets the change in date and the inconvenience to donors.

Saturday, July 20, and Sunday, July 21, the collection van will be stationed as usual on the Barstow Street parking lot of the Mattapoisett Congregational Church. From 10:00 A.M. until 6:00 P.M. all trash papers properly boxed or bundled may be deposited.

Mattapoisett Grange

Mattapoisett Grange will hold its meeting Thursday night, July 18th, at 8 P.M. It is requested that a quorum of members be present to vote on an important order of business in regards to the winter meetings; also extended plans for the annual agricultural Fair can be worked on. This big yearly activity of the Grange will be held the 23rd and 24th of August with the supper being Friday, the 23rd.

Annual Summer Fair

HILLTOP FRIENDSHIP CIRCLE

The annual Fair of the Hilltop Friendship Circle will be held on August 13th at 11 A.M.

The usual tables will be in operation: home cooked food, Mrs. Minnie Tinkham, chairman, assisted by Mrs. Ruth Martocci, Mrs. Clara Wagner; aprons and handmade articles, Mrs. Lillian Johnson and Miss Mary Sherman; white elephants, Mrs. Ethel Morey, Mrs. Mary Miller and Mrs. Julia Bowman; plants, Mrs. Dorothea LeBaron and Mrs. Joan Washburn.

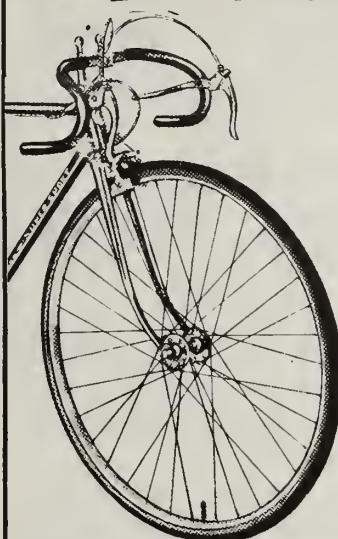

A sandwich luncheon will be served from 11:30 A.M. with Mrs. Lorraine Bryant chairman. Her committee will be Mrs. Marjorie Wilson, Mrs. Marjorie West and Mrs. Barbara Ketchell.

Cynthia Power will serve as general chairman.

CUB SCOUT PACK 15

Pack 15 held its Pinewood Derby Wednesday night, July 10th, at St. Anthony's Church, Mattapoisett. There were a total of 16 entries.

WE OFFER **RK** RK SHAMPOO AND RK RECONDITIONING TREATMENT AS PART OF OUR SHOP SERVICE

RK Shampoo's naturally-organic, acid-balanced protein formula leaves your hair feeling stronger and visibly healthier after the first application. The special protein properties in RK Shampoo absorb into the hair, will not leave residual shampoo build up. In fact, RK Shampoo is so good for the hair the second sudsing can actually be left in for extra conditioning action.

The cure for tired, damaged, frizzy, sun-bleached over-dry hair is RK Protein Reconditioner. This naturally-organic, acid-balanced protein reconditioner is hydrolyzed to the correct molecular size so as to actually rebuild damaged hair fibers. The protein ingredients in the RK Protein Reconditioner become part of the hair structure itself; starved, undernourished hair receives this "protein food" and comes to life again.

Appeal

The Social Service Director of the Mattapoisett Nursing Home, Mrs. Linda Turcotte Shanski, says that the patients desire to attend the band concerts on Tuesday evenings. She said that she and her husband can take those who require special assistance, in their own car, but that transportation is needed for 12 to 15 more people, to take them to the concert and to return them to the home. Any volunteers or suggestions. When I suggested hiring a minibus, she said the problem was money.

ham. The sixteen hour course which began July 8 will continue Mondays and Thursdays from 2 to 4 P.M. A hospital certificate will be awarded upon its successful completion. This series is a prerequisite for attendance at the Advanced Coronary Care Course to be given in the fall under the sponsorship of the Cape and Islands Chapter of the Massachusetts Heart Association.

Any Licensed Practical Nurse or Registered Nurse in the area interested in attending should direct inquiries to Mrs. Clara Mascott, Program Coordinator at Tobey Hospital.

Childbirth Classes

PREPARED CHILDBIRTH CLASSES

A new series of B.A.C.E. Prepared Childbirth Classes will begin on Monday, July 22, at 7:30 P.M. at the Unitarian Memorial Church in Fairhaven for couples expecting babies in September, October and early November. There will also be a new series beginning on Tuesday, July 23, at 7:30 P.M. at Tobey Hospital in Wareham where a B.A.C.E. In-Service Workshop was conducted last month to acquaint the maternity nursing staff with

the principles and techniques taught in B.A.C.E. Prepared Childbirth Classes. The eight week series is sponsored by the Boston Association for Childbirth Education and is taught locally by a certified prepared childbirth instructor who has personally experienced husband-coached prepared childbirth. Although primary emphasis is placed on learning relaxation and breathing techniques to minimize discomfort during labor, discussion and films also cover such topics as anatomy and physiology, medication and anesthesia, breastfeeding, and coping with the emotional aspects of pregnancy, childbirth and postpartum. Classes are couple-oriented with specific preparation for the father as labor coach and as the mother's chief support throughout childbirth. To insure informal and individualized instruction, enrollment is limited and early registration is encouraged. For more information and/or registration call: Mrs. Lisa Elliott, 36 Washington Street, Fairhaven, 994-1250; Mrs. Angela Brucato, 56 R Drive, Westport, 676-3705; Mrs. Libby Beardsley, 40 Main Street, Marion, 748-0851; or Mrs. Cynthia Rollins, 709 Main Street, Wareham, 295-6047.

Y.W.C.A. Events

Trips and tours have been scheduled as a part of the New Bedford YWCA Summer Program. Trips for elementary school youngsters will be held on Thursdays.

The first tour took place on July 11 when a group visited the Sealand of Cape Cod. On July 18 Fall River's Big Mamie and the Marine Museum are being visited.

Upcoming trips for the elementary school students include: July 25, Dartmouth Children's Museum and a picnic at Round Hill Beach; August 1, Edaville Railroad in South Carver; August 8, White's Dairy and a pic-

nic lunch at Camp Green Briar; August 15, Heritage Plantation in Sandwich; August 22, Fun day at Lincoln Park.

Day trips for Junior High students began on July 16 with a cruise to Martha's Vine-

Y.M.C.A. News

The New Bedford YMCA will be starting a new Karate Course on Tuesday, July 16th. The program will run for 5 weeks with classes meeting on Tuesday and Thursday evenings from 6:30 to 8:30 P.M. The course is co-ed and it is open to Y members and non-members, 12 years of age and up. The Japanese form of Karate will be taught, with emphasis on teaching self-defense, and the art of attack. The instructor will be John Thomas Hogan, a second degree black belt. The course will be held in one of the Y's Gymnasiums. Registrations are now being taken at the YMCA's front desk.

Boys and girls age thirteen through seventeen are invited to take advantage of the YMCA's expanded program for them this summer. Every day but Thursday activities have been planned including swimming, volleyball, basketball, tennis instruction, and game room tournaments.

Facilities will be open for the teenagers from 9 to 12 and from 2 to 5 every day but Thursday.

SUCCESSFUL READING LABORATORY

The High Intensity Reading Laboratory at the Old Rochester Regional Junior High School demonstrated a very high level of success in its first months of operation. Funded by ESEA Title 1, this special project was designed to raise students to their proper grade level in reading. Serving only seventh grade students this first year, the Reading

TOWN OF ROCHESTER, MASSACHUSETTS**NOTICE**

The Board of Health voted July 1, 1974 to amend the rules and regulations concerning the collection and disposal or refuse within the Town of Rochester as authorized by Chapter 111 Section 31B General Laws, effective August 1, 1971 as follows:

4. General --

- d. Any request to open the Landfill at unauthorized hours for the disposal of Rochester rubbish, excluding garbage, shall be left to the discretion of the Board of Health Agent, who shall charge a fee commensurate with time required beyond the minimum fee of \$5.00.

Lab will be expanded to include all junior high school students with severe remedial reading needs in 1974-1975.

Staffed by teaching specialist Mary White and aide Paula Souza, the program began in late November, 1973. All seventh grade students underwent a group reading test, and using these test results in addition to teacher observations and recommendations, a group of 69 students was enrolled in the program. Students worked on general vocabulary and comprehension skills in addition to more specialized reading skills in science and social studies. For the students this meant an additional three or four

forty minute classes in basic skills to supplement their English curriculum in particular, and their interdisciplinary team in general.

Classes of ten to twelve students worked on an individualized program designed to fit specifically their ability level in each aspect of reading. A wide range of materials enabled the program to be diverse and flexible. Additional individual reading tests identified more subtle difficulties than the group test. Working in pleasant surroundings, with a difficulty level which allowed success and progress, and guided by a concerned, competent and personable teacher and aide, the progress far exceeded predictions.

The final test results indicated that 40 of 69 students more than tripled the predicted gain in reading. Additionally, 10 students doubled the prediction with 10 more meeting the predicted level. Only 8 students failed to meet expectations. In just five months of instruction the total number of students one and one-half or more years behind grade level in reading was reduced by 40%. The average student gain was 11.3 months during the five month program.

The four teachers (English, math, science, social studies) in each interdisciplinary team provided an excellent complimentary base for the teaching of reading skills. Working with new vocabulary lists gleaned from their individual disciplines, and recognizing an increased need to develop learning in fundamentals, each seventh grade team and teacher certainly enhanced the reading lab.

In 1974-1975 the students with continuing difficulty in reading will remain in the program, and every incoming seventh grade student will be tested to determine their reading needs. The development of the reading program resulted from an original proposal by Philip F. Devaux, Director of Curriculum, and is evaluated by state and local school officials and a Parent Advisory Council under chairman Helen Westergard of Marion. The Parent Advisory Council recommended strongly an expansion of the program to serve more students and both grades,
